Dear Gloria Deo Academy Supporter:

The athletic season is underway at GDA with the anticipation of more than 250 athletes for the 2023-24 year! We would be beyond grateful to partner with you to enable youth in our community, both GDA students and homeschool students, to experience and excel on the field, on the court, and in life - we are building strong players, character, and solid contributors in our community through our athletic programs.

We are excited to offer a full year advertising and sponsorship opportunity for area businesses which will support our growing athletic program. GDA is a non-profit school and sponsorships help underwrite player scholarships, uniforms, equipment, facility rentals, tournament and track meet costs, and so much more!

Providing a biblical, classical education, equipping the whole student – heart, mind, and strength – for the glory of God. Students learn truth, beauty, and goodness in order to reflect the glory of God in both word and deed.
